

# FEEZEE

FEEZEE is an easy to use payment processing solution that allows you to process credit cards, debit cards and ACH transactions with a simple interface launched right from your web site. FeeZee does all the heavy lifting of payment processing so you can focus on the things you need to do to make your business successful. Don't get bogged down with setting up merchant accounts, creating reports and managing software, let FEEZEE handle that and start accepting online payments today.

- Easy online application
- No complicated software to set up
- No software or annual license fees

## Why FEEZEE? It's easy.

## FEEZEE Provides:

- Secure, online payment processing from any mobile or internet capable device
- Flexible payment options for your customers
- An intuitive, easy to use interface
- Reporting to help you manage payments
- Customer receipts

## FEEZEE For Education

- Schools can eliminate the manual handling of cash and checks and generate activity and payment reports making their job easier while saving time and money.
- Schools can offer parents a quick and easy way to deposit funds into their children's lunch accounts, track their meals and receive low balance notifications.
